

Cozy Christmas at Savotta on 24 December 2018

Settings at 16.00–19.00 and 19.30–22.00 – book your table in advance.

There is a saying, that the forest is a Finn's church. How convenient, that Savotta is located by the Senate Square right opposite to the Cathedral! Both the authentic interior and the dishes served in original style have been inspired by the Finnish forests and thousands of lakes with a dash of Finnish "sisu" and logging traditions. Savotta's logging camp cooks cherish the Finnish food tradition by using only Finnish ingredients from the pristine forests and lakes, and from carefully selected small suppliers. Timber guys and gals will lead you with their casual care to a nostalgic time journey of past decades.
