

## Savotta's Midsummer Menus 21.–23.6.2019

Restaurant Savotta takes its guests directly from Senate Square to a nostalgic view of Finland from past decades. You can't think of any better place to celebrate Finnish Midsummer, "Juhannus", right in the heart of the city centre! Both the authentic interior and the dishes, served in original style, have been inspired by the Finnish forests and thousands of lakes with a dash of Finnish "sisu" and logging traditions. Savotta's kitchen cherishes the Finnish food tradition. We use only Finnish ingredients from the pristine forests and lakes and from carefully selected small suppliers. Welcome to celebrate Finnish "Juhannus" with us!
